Be a germ stopper at school and home. Cover your mouth and nose when you cough or sneeze. Use a tissue and throw it away.

**CLEAN YOUR HANDS OFTEN!**

After you sneeze or cough, after using the bathroom before you eat, before you touch your eyes, mouth, or nose- clean your hands.

**WASHING HANDS WITH SOAP AND WATER IS BEST**

Wash long enough to sing the Happy Birthday Song twice, or you can use gels with alcohol in them. The alcohol kills germs.

# IT'S TIME TO SHOW WHAT YOU KNOW!

Our third and fourth grade students will be taking the State assessments on April 17, 26, 27, 30, and May 1. Students will be tested in Reading, Math, Science, and Social Studies. Our students have been preparing for these tests since kindergarten, and the teachers and students are continuing to prepare each day.

Parents can help students prepare for TCAP by ensuring that they get a good night's sleep and eat a healthy breakfast. It is important to be on time each morning, as well. Please encourage your child to do his/her best.

Our students always do an amazing job on TCAP! This is a reflection of how great our students, teachers, and parents are! Thank you, parents, for doing your part to give your children the best possible opportunity to show what they know!

## Backpacks from the Heart May 14-18, 2018

Please join us in filling backpacks with summer items for our students and their families. The Backpacks from the Heart Initiative will help provide needed items for our families over the summer. Long term items such as dried beans, rice, pasta, peanut butter, toiletries, gift cards, gas cards, wipes, and clothing, are a few items on the list. Please contact Ms. McNabb if you are interested in helping.

**Backpacks will be distributed the week of May 14th.**
