Principal's Den

Dear LES families,

Happy New Year! Welcome to 2020! I hope you and your family had a wonderful winter break. My staff and I are excited to get the second semester started! We are looking forward to the learning, exploring, and growing that will happen over the next semester. Let us know if we can support you in any way.

Respectfully,

Mrs. Patton

Just a few reminders...

- Regular attendance is critical for academic success. Please make sure your little lion is on time each day. Missed minutes of instruction add up quickly. This includes early dismissals in the afternoon, too. ☺
- The flu and sickness season is here. Students who have a fever should stay home until they are fever free for 24 hours without medicine. Thank you for helping us keep our community healthy!
- If your child is sick, be sure to send in a doctor's note or a parent note upon his or her return. After 5 unexcused absences, a conference with administration is required.

Reading Fun!

Now that we are back into our routines after break, it's the perfect time to encourage your little lion to begin or continue a reading routine each day at home. Our LES library has a wonderful selection of books to choose from as well as several different reading challenges students can participate in. Encouraging 20 minutes of reading each night is a wonderful way to build your child's reading fluency, comprehension, and love of reading. Children of all ages love to be read to! Sharing a story together is a powerful and effective way to strengthen literacy. Have fun with books and go read!
